

CURRICULIM VITAE

Personal data:

Tobias Lipsewers

Address: Opastinsilta 9 C 67, 00520 Helsinki, Finland
Mobile number: +358 295 251 787
E-mail: Tobias.Lipsewers@ymparisto.fi

Education:

Finnish Environment Institute (SYKE), PhD-project (current activity, Start: August 2013)

University of Rostock, Master of Science (2009 – 2011)

MSc-thesis at the Institute of Sea Research Warnemuende (IOW): "Development of a natural pelagic microalgae community under different UV-radiation in enclosed experimental systems."

University of Applied Sciences Bonn-Rhein-Sieg, Bachelor of Science (2005 – 2009)

BSc-thesis at the Institute for Chemistry and Biology of the Marine Environment (ICBM): "Wax ester-synthesis of the marine bacterium strain S7 under oxygen-limitation and imbalances in the initial nutrient supply (C:N:P)."

Vocational college Olsberg, Germany, Certified biological technician (2002 – 2005)

Working Experience:

Royal Netherlands Institute for Sea Research (NIOZ)

Marine Virus Ecology, Internship (March - September 2012)

IOW

Biological Oceanography, Scientific assistant (May – June 2011, December 2011 – February 2012)

ICBM

Environmental Biochemistry, Student assistant (September - November 2008)

Languages:

English: Fluent in speech and writing
German: Mother tongue

Referees:

Dr. Kristian Spilling (Supervisor of my PhD-thesis)
MRC, Senior Research Scientist in the Modelling & Innovations Unit
Kristian.Spilling@ymparisto.fi
+358 400 148 526

H. Doz. Dr. Luise Berthe-Corti (Supervisor of my Bachelor's thesis)
ICBM, Former head of the working group of Biotechnology and Microbiology
luise.berthe.corti@uni-oldenburg.de

Dr. Falk Pollehne (Supervisor of my Master's thesis)
IOW, Deputy head of the Department of Biological Oceanography
falk.pollehne@io-warnemuende.de
